Should Be Quarantined

Many physicians believe that anyone who has a cold should be completely isolated to prevent other members of the family and associates from contracting the disease, as colds are about as catching as measles. One thing sure—the sooner one rids himself of a cold the less the danger, and you will look a good while before you find a better medicine than Chamberlain's Cough Remedy to aid you in curing a cold.

SEAL SALE CAMPAIGN

(Reported by W. E. Lutz)

Morenci's quota was about \$2000 but this amount was exceeded by 50 per cent, which would seem to be a remarkable showing in view of the present conditions and considering that there is no longer the excitement and stimulus of war activities to urge contributions for the relief of distress.

The success of the drive in Morenci may be reasonably attributed to the fine public spirit of its citizens and the enthusiasm and splendid co-operation of the Captains and the various members of their teams.

The contribution of \$2050.00 by the people of this community indicates clearly enough that the work of the Anti-Tuberculosis Association is of great importance and worthy of support.

As local chairman of the drive I wish to express my hearty thanks to all contributors and workers who gave so generously of their time and money for the cause.

The following is a condensed report of the receipts:

Arizona Copper Mines including offices, Surface, Employees and store \$860.75. Mr. Little, Captain. Arizona Copper Co. Mills, \$431.00. Heads of Departments, Captains P. D. Corporation including Mines, Surface, Employees Mechanical Department and store, \$759.25. Captains: Mr. McLean, Mining Department; Mr. Bury, Offices; Messrs. Roscoe and Skaling Surface; Mr. Rice, P. FEELS FINE IN MORNINGS NOW
Los Angeles Man Gained Fifteen Pounds Taking Tanlac—Troubles Overcome.

"This Tanlac has not only stopped all my suffering but has added just fifteen pounds to my weight", said J. A. Dunmire, of 402 Crockett St., Los Angeles, California, a well known employee of the Los Angeles Transfer Co., who has seen twenty-seven years of consecutive service with this company.

"Before I started taking Tanlac my stomach was in such a bad condition that I couldn't eat a single meal without my food fermenting and gas forming so bad that it made me feel miserable nearly all the time continued Mr. Dunmire. "I had rheumatism in my right limb so bad that at times I could hardly get about, and at night I was restless and my sleep was broken. I had very little appetite and I went down hill so fast that I lost fifteen pounds and got so weak that I could hardly do my work.

"I knew if I kept on at this rate that I wouldn't last long so I decided to try Tanlac as I had seen in the papers where it had been helping so many people. And sir, it proved to be just the thing I had been needing all the time, why, I hadn't finished half a bottle before I was feeling a hundred per cent better. Now I have just simply quit taking it because it all my suffering has stopped completely and I have gained back every bit of my old weight and am in as good health as a man wants to be. I can eat big hearty meals three times a day now and it makes no difference what I eat because my stomach is in perfect shape and I am never bothered at all. The rheumatism in my right limb has disappeared entirely and I can sleep like a log every night and of mornings when I get up I feel as spry as a fox. Tanlac put me on my feet in such a short time that I have started my daughter to taking it as she is in a run down condition, and if I recommend a medicine to my family you can see just how much I think of it.

"Tanlac is sold in Clifton by Clifton Drug Co.; in Duncan by Elk Drug Co.; in Morenci by Brown and Beck; in Metcalf by Blanez and Valdez and in Franklin by Franklin Co-operative Mercantile Institution."
